MOUNTAIN VIEW

Close to everywhere. Thirty-six miles from San Francisco, in the heart of the world famed Santa Clara Valley. Six miles from Stanford University, the home of former President Herbert E. Hoover and forty miles from the University of California. There are 56 trains daily between San Francisco and Sase, that stop at Mountain View. Average running time to San Francisco one hour. Fast highway auto stages go back and forth between San Francisco and San Jose, via Mountain View, at 20-minute intervals. Mountain View has a new $350,000 high school plant and a new $165,000 grammar school. Mountain View has one of the most healthful climates in the world. Mean annual temperatures, max. 69.3; min. 45.1 degrees

EVERY STORE should appear in the Directory and the Directory should be in Every Store.

Besides its use to the storekeeper, it is a convenience the customer looks for. The store that offers an old Directory, or no Directory at all, fails to show its patrons a courtesy they will find elsewhere.

EVERY STORE should appear in the Directory and the Directory should be in Every Store.
Besides its use to the storekeeper, it is a convenience the customer looks for. The store that offers an old Directory, or no Directory at all, fails to show its patrons a courtesy they will find elsewhere.
